

ACT Scores Speak Volumes

2009 ACT Scores

MLHS—23.8

State average—22.7

**MLHS scores are
consistently above
average.**

**MLHS grads are ready
to meet
challenges—with
confidence.**

2009 Alumnus Jason Maloney is majoring in Farm Operation and Management with a Dairy emphasis. He recently gave a presentation about the Ag Programs offered at Ridgewater College to MLHS students. He intends to farm.

In 2011 MLHS implemented an on-line grading system. Students and parents now have instant access to grades and assignments. This enhances communication with teachers allows parents to regularly monitor their students' progress.

◆ Parents Robin & Gary Ekstrom have this to say about MLHS: "Our son, Andrew, graduated in 1999. It was the best choice for him and for us. He was fully prepared for his college years at Minnesota State University, Mankato. He graduated with a degree in Bio-Chemistry. Our second son, Alex, also attended MLHS—there was no other choice for us."

Academics

**Exemplary
education
and
so much more...
for all teens**

A Choice Worth Making...

Challenging Curriculum

+

Academic Guidance Prepared for Life

85% of MLHS graduates advance to post-secondary educational institutions

Twenty-six Credits Required for Graduation

(This exceeds state requirements)

Religion*, English*, Social Studies*/ 4 credits each

Math* & Science*/ 3 credits each

Physical Education/ 2 credits

Health and Computer Science/.5 each

Foreign Language/ 2 credits

Fine Arts/2 credits (Art I & II, Media, Band, or Choir)

Plus one additional elective from any course above

*Indicates core courses

◆ With a 9:1 Student:Teacher Ratio MLHS students have the academic guidance readily available to accomplish more than they think is possible.

◆ MLHS students have dedicated, trained professionals who know them well and can help them attain their goals.

◆ Students of all learning levels can benefit from a Christian high school education. ML teachers work closely with area professionals to help students who qualify for IEP or 504 accommodations.

◆ In today's competitive world, students need to take many "core" courses to be prepared for success. For example, today Cosmetology students are required to complete high school chemistry.

Advanced Courses

- AP Calculus
- AP Computer Science
- PSEO courses offered through Concordia University, St. Paul, taught at MLHS by MLHS teachers. Passing PSEO students will automatically receive college credits.
 - ◆ College Composition
 - ◆ Intro to Literature
 - ◆ Western Civilization II
