

Please take advantage of the Employee (or Retiree) Matching Gift policy offered by many companies. You can help double (or in some cases, triple) your gifts to Martin Luther High School or other charitable organizations. Donations from some companies are based on employee or retiree volunteer service hours. Please check with your employer to see what kind of corporate giving program they may have. \*If your company is not on the list and has such a program, or if you find an error, please e-mail us at [postmaster@martinlutherhs.com](mailto:postmaster@martinlutherhs.com). Thank you!
